

VOICE VISIONING SESSION REPORT OUT WEDNESDAY, APRIL 3, 2013 EASTLAND MALL

telephone: 812.589.3682 email: voice@evansvillevoice.com website: www.evansvillevoice.com

What VOICE is About

VOICE brings together diverse members of our community in facilitator-led group discussions to draw out and capture everyone's ideas for the future. Together, we'll discuss our hopes and dreams for Evansville in a comfortable, open forum that's fun and inspiring, too. The sessions allow respectful conversations to take place, and all voices to be heard, and every opinion to be documented and shared. VOICE will ensure that everyone in our community has the opportunity to take part in creating a desired future. Absolutely everyone.

The VOICE Process

Leadership Evansville has facilitated discussion sessions starting on August 15 at easy-to-access public locations, such as Evansville Public Library System branches and Evansville Vanderburgh School Corporation schools. The sessions have been advertised in neighborhood newsletters, the newspaper, television, radio and via the initiative's website: www.evansvillevoice.com.

Comments from each session will be available to the participants and the public. A summary and detailed notes will be posted on the VOICE Web site within one week of the session.

Once all comments are collected, additional community sessions will occur to verify that the information collected truly represents participants' opinions.

Then, common themes and ideas will be grouped by topic area to serve guidance for those organizations, businesses, universities, individuals, and government bodies with interest in that topic to move forward with further research and planning toward common goals.
